27/1/2026

Dear Parents and Carers,

Metropolitan East School Sport are pleased to introduce a new district representative school sport program providing students with opportunities to represent our region across a wide range of sports. Our School is now affiliated the **Riverside Rays District**.

About Metropolitan East School Sport

Metropolitan East is one of 12 regions coordinating representative school sport across Queensland. It is open to students from any affiliated school, regardless of system. It covers a broad area from the Bay Islands to Logan City (some schools outside these boundaries remain members).

How district sport works

Students are first nominated through Wynnum SHS to attend district trials. Districts nominate athletes to regional trials, where Metropolitan East teams are selected. Some sports don't have a district trial. In these cases, students must nominate through Wynnum SHS to attend Metropolitan East trials. Students must know their district and trial details to participate. **All students attending trials be of a high level of skill.**

New districts for 2026 (ages 10–19)

Central Sharks, Mt Gravatt Echidnas, Redlands Roos, **Riverside Rays**, Southside Sea Eagles

District trials & selection

Trials are run by trained volunteer officials. Schools must confirm student eligibility, readiness, and skill level. Selection panels ensure fair and transparent processes. Selection decisions are final and accepted upon nomination. **All paperwork must be submitted on the day – no paperwork, no trial.**

Information and nomination process for students and families

- Monitor school communications for sports and trial dates. Wynnum SHS typically finds out district trial information 2-4 weeks prior to the regional trial.
- Student notices will be updated with trial information as it comes to hand.
- **It is the responsibility of students to check student notices daily and see the HOD – HPE & Sport to collect appropriate paperwork and nominate.**
- A termly Sport Bulletin will be released by Wynnum SHS outlining representative sport opportunities.
- Schools and parents must ensure students meet eligibility and safety requirements and submit all consent forms and nominations on time.
- Families are invited to check the Metropolitan East calendar regional trial dates:
