

Instrumental Music Program

For many years Wynnum SHS has had a proud tradition of excellence in its Instrumental Music Program.

Students enrolling in Year 7 are able to continue their Instrumental Music studies at Wynnum SHS and further develop skills and technique on their chosen instrument.

Students who participate in the Instrumental Music Program will receive a 35-minute group lesson with a qualified music teacher. They will also be expected to join one of the school's five ensembles: the Symphonic Band, Big Band, Concert Band, Stage Band or Percussion. These ensembles have a weekly rehearsal either before or after school.

Students who perform in the school's ensembles participate in an extensive range of performance opportunities including school-based concerts, competitions, festivals, community performances together with workshops, master classes, guest conductors and much more.

Instrumental music students also have the opportunity to participate in band tour and band camp.

Wynnum State High School's Instrumental Music Program offers students excellence in music education in a fun, friendly and supportive environment.
